Dear Sir or Madam:

Lake County Fish and Game Protective Association, Inc. is one of the oldest conservation organizations in the State of Indiana. To support our conservation efforts, the Association hosts an annual fundraiser known as the Walt Millikan Memorial Wild Game Dinner. This year's event is the 38th anniversary and will be held March 24, 2018 at the Halls of St. George located at 905 E. Joliet St., Schererville, Indiana.

This is our main fund raising event for the year. Our members are asking the local merchants they patronize to support our dinner by donating either a door prize, tip board, raffle or auction item.

We are a 501(c)3 non-profit corporation (Indiana Tax Exempt Certificate Number 0108520382 000 2). As such, your contribution is tax deductible and will be acknowledged by having your business' name printed in the dinner program booklet distributed to approximately 600+ attendees and our membership of 650+ as well.

The **absolute deadline** for your donation to be recognized in our booklet is March 7, 2018. With your help our dinner, and future efforts of our organization, will continue to be successful.

Thank you in advance for your consideration and support.

Yours In Conservation,

LCF&G WGD Committee
